FLOOD CONDITIONS REMAIN UNCHANGED

Ohio River Has a Rising Tendency at Cairo; May Reach 55 Feet.

LEVEES IN GOOD SHAPE

Mississippi Slowly Creeping Up and Southerners Expect High Water Record.

CAIRO, Ill., April 6.-The flood conlitions at Cairo have remained practieally unchanged today, although the river shows a slight rising tendency. The weather forecaster predicts that the river will mark a little over 55 feet before the crest is reached and that for a week or more the rise in the Mississippi will help hold the river at above the dangerously high stage of over 54

There has been no relaxation of efforts to protect the Cairo levees. The pastors of the most of the churches in which services were held today took flood conditions for their subjects. Water covers the country in every di-

ection from Cairo for miles. Over 7200 refugees are camping Wickliffe, Ky.

The levees at Mound City are in good shape tonight and the people there believe they will be able to keep water out of the town.

Recedes at Evansville.

EVANSVILLE, Ind., April 6 .- The Ohio river showed tonight a fall of three-tenths of a foot below the crest of the flood and the weather bureau predicts that the fall will continue all of this week.

The government relief boat Kentucky arrived today from Louisville, loaded with provisions for flood sufferers below Evansville. The boat left at noon for Uniontown, Ky., Shawneelown, Ill., Caseyville, Ky., and Golconda, Ill. Another relief boat, the Scioto is expected to arrive from Louisille Tuesday.

Officials of the St. Francis levee board who have supervision over this section of the levee expressed the opinion, however, that the situation there was not serious.

Water Wrecks Mine.

ELDORADO, Ill., April 6.-The west side coal mine at Equality, eight miles south of here, was wrecked today when high water running into the shaft caused an explosion of air and gas. The cast side mine is flooded and it is considered doubtful if either mine can be worked again. Equality is surrounded by water save for a single wagon road leading here. Many west side houses

Final Three Meetings of Semi-annual Session Yesterday Afternoon.

APOSTLE SMITH IN PRINCIPAL SERMON

Son of President Warns Mormons That Unhappiness Will Follow Marriages With Gentiles.

HE eighty-third annual conference of the Mormon church came to a close vesterday at 4 o'clock with three great meetings. By resolution presented in the main building the Saints declared the conference to have been the most helpful held in tempts to gain possession of Scutari

A conservative estimate placed the number attending the three meetings yesterday afternoon at 18,000. The immense tabernacle was crowded to its utmost capacity. At least 12,000 persons occupied space in the building. At Barratt hall and at the Assembly hall, crowds filled both places.

Last evening the Descret Sunday School union held a meeting at the tabernacle, when the great auditorium was again filled.

The principal address vesterday aft ernoon was delivered by Apostle Hyrum M. Smith, a son of President Joseph F. Smith. Apostle Smith advocated mar riage among the young as a remedy for the gross immorality which he said was rife in the world. Marriage must be according to the laws of God, however or it would result in misery. It was contrary to the law of God, he said, for a Mormon girl to marry a Gentile or a Mormon man to marry a Gen tile girl. Marriage must be for time and eternity and contracted in the

A telegram was read from Apostle Reed Smoot at Washington. Senator Smoot expressed regret at his inability to be present at the conference, but he was with his brethren and sisters in Turkey." the spirit, he wired.

From New York came the usual semiannual message from John W. Young, a son of President Brigham Young. A telegram from Mr. Young is read at every conference. He congratulated the Saints and the authorities upon the continued growth of the movement and conveyed his very best wishes.

"I wish Brother Young would get enough humility, wisdom and hard mule sense to come back and live with the Saints and be honest," commented President Smith, which is said to from Mr. Young.

Beautiful musical numbers, in addition to splendid choir singing, added to the interest of the last day of the conference. Mrs. Lizzie Thomas Edward, in superb voice, sang "When Thou Comest Will Not Back Down. to Judgment." She was assisted by the choir. Miss Margaret Summerhays and Thomas Ashworth and the choir sang with splendid effect, "Awake, My Soul." Eilhu Call and the choir sang "Be Thou Faithful Unto Death." Della Daynes Hill in fine voice sang "The Holy Temple." The choir sang the following anthems: "Hark, Listen to the Trumpeters," "Though Deepening Trials Throng Your Way," "From Afar, Gracious Lord, Thou Hast Gathered," "Arles, Shine, For the Light Has Come." Invocations were spoken by G. A. Iverson, president of the Carbon stake, and Serge F. Ballif, president of Cache stake. Benedictions were pronounced by William H. Great Slav Demonstration in St. Petersburg; "The Cross Over St. Sophia" Is Cry of 50,000 Russians.

CETTINJE, April 6.-The little of Montenegro has down the gauntlet to the six great powers. She declines to yield to the demand of powers to abandon her at and has officially announced that "there will be no departure from ar attitude which conforms to the neces sities of the state of war existing be ween the allies and Turkey."

An international fleet, comprising warships of Austria-Hungary, Italy, France, Germany and Great Britain, is now blockading the Montenegrin port of Antivari. The fleet includes four Austrian warships, the British cruisers Yarmouth, Inflexible and Gloucester he German cruiser Breslau, the Italian cruiser Pisa and the French cruiser Edgar Quinet. Russia is not represented by a warship, but has acquiesced in he naval demonstration.

Admiral's Message.

The British admiral sent the follow ng message to the Montenegrin pre mier. Dr. L. Tomanovies:

"I have the honor to inform you that the international fleet is assembled in Montenegrin waters as a protest against the nonfulfillment of the wishes of the great powers. I desire to call your ex cellency's attention to the presence of the fleet as a proof that the great powers are acting in concert, and request that their wishes be fulfilled without further delay. A brigade of Austrian troops from Cattaro has been maneuvering near the Montenegrin boundary. The customary note has not been given the Montenegrin government, and Austria's action is considered unfriendly and menacing.

Slav Demonstration.

ST. PETERSBURG, April 6 .- Another great Slav demonstration occurred today but on this occasion the police did not interfere. The climax was reached when the crowd, which numbered 50,000, appeared before the residence of the downinger empress, sang the national anthem and displayed banners inscribed:
"Down with Austria!" "Scutari for the Montenegrins!" "The Cross Over St. Sophia!" A visit then was paid to the cathe-drais and to the guards' barracks, where the officers saluted the banners.

PARIS, April 6.—King Nicholas of Montenegro is quoted in the Temps as saying that he has learned with sorrow that the cruiser Edgar Quinet will represent France in the naval demonstration on the Montenegrin coast.

"It is a bitter irony," said the king, "that the name of the illustrious writer, dgar Quinet, the upholder of people's struggling for independence and unity, should be associated with an exedition struggling for independence and unity, should be associated with an exedition against the small but vallant champion of Balkan independence. You may say that despite the measures of coercion taken by Europe against her, Montenegro will yield only to violence.

"It remains for Europe to add the ridicule of armed force to her injustice."

Turks Make Concession.

LONDON, April 8.—A Constantinople dispatch to the Times says that the council of ministers has decided, while refusing to pay indemnity to the allies, to agree to pay for the maintenance of the prisoners of war on a general scale.

Servian in Command.

LONDON, April 6.—A dispatch to the Chronicle from Vienna says that King Nicholas of Montenegro has resigned as chief in command of the army besleging Scutari, in favor of the Servian general, Bojovic.

The correspondent adds that a general storming of Scutari was scheduled to take place Sunday with the aid of fresh Servian ordnance and troops.

It is a sensational series of disclosures which the widow of the Mexican martyr presents. Embassador Wilson she declares, had knowledge in advance of the coup d'etat which overthrew the Madero government; he conferred with Huerta on the disposition of Madero and Vice President Pino Suarez, and advised the dictator to "do what he thought best for the interests of the

She charges further that in a pathetic nterview which she had with Embasador Wilson, at which she invoked the aid of the United States to save her husband's life, the embassador refused to accept such responsibility and later suppressed a telegram which the mother of the murdered president had prepared to be sent to President Taft beseech-

ing his merciful aid. Finally, Senora Madero details a most remarkable interview she had with Embassador Wilson in which the latter said

"I will be frank with you, Mrs. Madero; your husband's downfall is due to the fact that he never consulted with me-he never wanted to advise with

Not until Embassador Wilson made emphatic denial through the International News Service today of the charges filed with the state department against him by Luis Manuel Rojas, a vice president of the Mexican congress, did Senora Madero consent to tell her remarkable story.
